PROFESSIONAL EXPERIENCE

Deloitte Consulting LLP, Arlington, VA 07/2022 – Present
Strategy & Transactions Consultant

- Led the research and drafting of a Cabinet Department-level counter-improvised explosive device policy and interagency working group governance structure for a homeland security client.
- Led data analysis workstreams on two Department of Defense contracts to study the management practices and quality of clinical care across >500 U.S. military installations, and delivered recommendations for improving safety, readiness, and program efficacy.
- Developed an office-wide strategic vision for optimizing a U.S. military combat support agency's management of a recently deployed information technology (IT) system.

Wisconsin State Legislature, Madison, WI 08/2019 – 07/2022
Legislative Aide & Director of Constituent Relations

- Managed constituent relations and casework for a state senator with 175,000 constituents and caucus leadership responsibilities.
- Assessed stakeholder impacts and recommended courses of action by researching and analyzing emerging policy issues, proposed legislation, and administrative rules.
- Led oversight efforts into state agencies, resolved constituent issues, and advanced government accountability.

SKILLS & PROFICIENCIES

- TOP SECRET Security Clearance (granted by the U.S. Department of Defense)
- Tools & Frameworks: ArcGIS, Python
- Skills: Data analysis, policy analysis, policy implementation, process improvement, research, strategic communications, strategy development, technical writing, and workflow analysis.
